Picasso Restaurant Group
RESTAURANTS | CATERING | FOOD SERVICE

FAMILY OWNED & LOCALLY BASED

In 1989, Gerald Attee and his wife Nihad, opened up their first deli in Ann Arbor, Michigan. Although the deli was only 500 square feet, what it lacked in size was trumped by the owners passion for great food and a personal connection with their patrons. To this day the lessons they learned in that small deli are engrained into the fabric of each and every location.

Since our humble beginnings, PRG has grown into a restaurant group that operates 16 eateries in some of the most prestigious buildings in the metro Detroit area. We continue to exceed expectations by delivering the very best in products while still giving customers the service and attention one can only recieve from an owenr operated establishment.
